Program and Resource Administrator
Board of Patent Appeals and Interferences

SUBJECT: The suspension of Application No. 08/574,194

The above identified application was suspended on September 26, 2001, Paper No. 24 because the application is related to a pending interference, Interference No. 103,630. The Interference is still pending. The period for suspension has expired. Please prepare a new request for suspension (the Board does not have the authority to suspend the application), and have the Director sign the suspension. Once the suspension has been mailed to applicant(s), please have the case returned to the Board of Appeals and Interferences. Thank you for your cooperation.

potential Interference
